S12. Niles Ferrier is planning to rig the final round of the Cloud City Sabacc Championship. He has pre-programmed the dealer droid to stack the deck for the last hand and give him a perfect Sabacc. He also made arrangements to sit at the final spot of the six-player table, and he has devised specific totals and cards for each of his opponents. Dealing is such that every player is dealt one card, and then every player is dealt a second card, etc. Can you arrange the 24 cards below so that each player is dealt four cards matching the requirements given? When you do, your next target will be described.

Niles: First card: Queen of Air and Darkness. Second card: Six of Flasks. Third card: Four of Coins.

Boss Nass: Second and last cards: One of Coins and Staves. Third card: a Two. Total: 10.

Lando Calrissian: First card: a Flask. Second card: Five of Staves. Third card: One of Sabers. Total: 14.

Wynn Dorvan: First card: Six of Staves. Second card: a Coin. Third card: Ace of Sabers. Total: 28.

Booster Terrik: First card: Demise. Third card: a Saber. Last card: The Evil One. Total: -18.

Jessa Vandangante: First card: Endurance. Second card: a Flask. Third card: a Stave. Last card: The Idiot. Total: 9.
