KenKen Puzzle Instructions: Fill in with the numbers 1-6. Do not repeat a number in any row or column. The numbers in each heavily outlined set of squares, called cages, must combine (in any order) to produce the target number in the top corner of the cage using the mathematical operation indicated. Cages with just one box should be filled in with the target number in the top corner. A number can be repeated within a cage as long as it is not in the same row or column. Answer the questions at the end!

THE BOUNTY HUNT

STAR WARS™ CELEBRATION V

"Where are you going, Master?" – Anakin
 "For a drink." – Obi-wan

The Outlander Club was one of Coruscant's seedier watering holes. While it had once been high-class establishment, by the time Anakin and Obi-wan visited, it also attracted a fair amount of criminals. While the two Jedi were seeking out Zam Wesell, your target is someone else in the Outlander. Once you have answered each question about the Outlander and its patrons and filled in the blanks, read the boxed letters for a clue for your next bounty target.
